Support Our Troops

Support Our Troops (SOT) is a proactive, non-profit, non-political, all volunteer 501(c)(3) charitable organization that helps provide for the material, physical, and emotional needs of our military men and women at home and abroad. We mail monthly "care packages" to our troops overseas, often responding to special requests from those serving in remote desert sites and other hostile environments. We give gift cards to active duty personnel at Christmas, and send birthday cards and written communications to our troops on a regular basis. Dues are $10.00 per year.

The troops we support are the friends and relatives of Robson Ranch residents. Robson Ranch currently has over 80 residents who have close relatives currently serving in uniform. Most are sons, daughters or grandchildren.
