2014 Military Guests

2015 Military Guests

We welcome all of our 2017 military guests and their dependents

Thanks to the many SOT volunteers who staff the tournament venue and the many generous Robson Residents who not only host visiting military for the tournament but who have made it a priority to financially support the SOT mission.

THANK YOU ALL!

Special thanks to the SOT charity golf tournament planning committee members who work tirelessly and selflessly each year in support of our mission.

WHERE SOT DONATIONS GO

2017

SOT has no salaried administrators. Every one of our Board of Directors and Executive Committee personnel are unpaid volunteers. All day to day administrative expenses are paid out of annual dues collected from the SOT membership. Therefore, **100% of every donated dollar** goes to providing physical, material and emotional support for members of the U.S. military.

60% of the 2017 Giving Budget (\$51,600) supports:

75 service men & women related to Robson Ranch residents; the MWR Center, Bagram Airfield, Afghanistan (supports hundreds daily); and, two other US military operations in Afghanistan. Monthly shipments are made to each of the deployed in a combat zone. All of the combat deployed also receive periodic large unit shipments to share. Special Christmas shipments are sent to servicemen without family support.

40% of the 2017 Giving Budget (\$34,400) supports other veteran charity organizations:

- **Patriot Paws** –They provide assistance dogs to Veterans with physical and emotional needs.
- **Train a Dog-Save a Warrior** –Trains dogs for veterans who suffer from PTSD
- **Fisher House** –Provides comfort homes for military and veteran's families while a loved one is receiving treatment.
- **Center for the Intrepid** –Provides rehabilitation for military who have sustained amputation, burns, and functional limb loss.
- Other donations pending to various veteran charities as determined by the SOT executive committee.
