New Chapter

I am doing great on my foundation cues! I am beginning to learn my disability cues so I can be able to open doors and pick things up! I am starting to learn how to pick things up and I love going and "pick it up" I love to get dressed in your lap to. I also love to go get the phone for you. Ill pick up the phone over my toys! Its so fun!

Fun Tidbits

I really enjoy going to the park and getting to socialize with everyone and all the puppies! Its so fun getting to meet new people!
